ST. ALBERT THE GREAT CATHOLIC SCHOOL

Kindergarten News

Notes

I am looking forward to the Parent-Teacher Conferences. Please be assured that I am available to you whenever you need to communicate! ***Please bring all of your questions and your latest PEG's to the conference****. Call Ms. Lisa if you need to check on your date and time.*

This week I am sending home the Progress Report (I call it your child's PEG's or "Personal Education Goals"). Bring it to your Conference.

This note is covering the next two weeks. As events arise, I will e-mail you. Please watch the school calendar for all of the half-days and days off!

On November 19th, it is Kindergarten's month to sing at the PTO meeting. The meeting starts at 6:30, so I ask that all kindergarten students be in the classroom by 6:20. Stay in your uniform of the day. I'll send more information as we get closer to the date.

HOMEWORK

- READ and practice power words, letters and sounds.
- Go on IXL. The goal is 20 minutes a week.
- Work on your PEG's.
- Learn the "Our Father".
- Continue to do service projects to earn money for PROJECT LINUS.
- Read the note about STONE SOUP. We will need LOTS of help on this

Happy Feast Day!

Friday, November 15, is the Feast Day of our own St. Albert The Great. He is the Patron Saint of students and of the natural sciences.

Mission Statement

We, the community of St. Albert the Great Catholic School, in keeping with the teachings of Christ, are dedicated to integrating the Gospel values, promoting academic excellence and preparing students to be responsible individuals with a daily commitment to living the Gospel in a diverse society.

The Art of THANKSGIVING

The art of thanksgiving is thanks-living.
It is gratitude in action…
It is thanking God for the gift of life
by living triumphantly.
It is thanking God for our talents and abilities
by accepting them as obligations to be invested
for the common good.
It is thanking God for all that men and women have done for us
by doing things for others.
It is thanking God for opportunities
by accepting them as a challenge to achievement.
It is thanking God for happiness
by striving to make others happy.
It is thanking God for beauty
by helping to make the world more beautiful.
It is thanking God for inspiration
by trying to be an inspiration to others.
It is thanking God for health and strength
by the care and reverence we show our body.
It is thanking God for the creative ideas that enrich life
by adding our own creative contributions to human progress.
It is thanking God for each new day
by living it to the fullest.
It is thanking God
by giving hands, arms, legs and voice to our thankful spirit.
It is adding to our prayers of thanksgiving,
acts of thanks-living.
