A note from Miss Sears

Week 2 of Advent is upon us! In Religion, we are continuing to focus on Advent and what it means to prepare our hearts for the birth of Christ. I encourage that as a family you create a "good deeds" calendar and keep track of how we help each other throughout the season of Advent. This will become a great habit!

Please continue to use IXL to practice division. We will have IXL homework this week, so keep your eye out for that on either Wednesday or Thursday. I have highlighted important topics they have started learning already. Again, this is a really great resource to help with their growth in the subject.

In science we will be continue to learn about how the Earth changes over time. In this, we will also learn about different types of rocks and minerals and how the Earth forms them. On Friday, we will have a visitor come to our classroom and do a fun activity about igneous rocks.

As we learn more about westward expansion, we will be working on cartography skills. This will be an ongoing topic for much of the year. This week we will continue to learn about the Donner Party and how they effected travel into Nevada.

If you have not done so already, please return your child's permission slip for caroling. If you are able to drive more than one child, please let me know. We are short on seats this trip and need as many as possible.

Please help your child remember a coat for school and don't forget to write your name on the tag to avoid missing items.

~Miss Sears

Upcoming Events

- Mass is on Wednesday at 10:30. The children should be in their Mass uniforms. Please join us!
- Stockings are due Tuesday, December 12th.
- Our Christmas Program is December 14th at 6:30 in the gym. Please have your child in the classroom no earlier than 6:00.
- Our Christmas party will be on December 21 at 9 am. If you are interested in helping, please email me ASAP so I am able to let our chair know who plans on being here.
