

To all St. Albert's 3rd through 8th grade students and parents -

I am beyond thrilled to tell you, after a very long wait, we are resuming our choir program.

Students who are interested in learning good vocal technique and applying it in a fun, but structured atmosphere are invited to attend choir practice on Tuesdays from 3:15 to 4pm. This choir will be leading the music for their weekly school masses as well as other special masses and events throughout the year. Students must be at rehearsal, to sing for mass. This is a weekly commitment, just like sports, dance, etc. Students will be able to use the first couple of rehearsals as a trial period to see if they enjoy choir.

Students must be picked up by 4pm. They will be sent to the extended day program if not picked up by then. This is for the safety of our students as there will not be any supervision after that time.

Students will not be wearing masks during choir rehearsal, nor will they be wearing masks during their various performances, and liturgical singing times. I respect everyone's individual comfort level and understand if a student cannot join at this time.

The first day of choir will be February 1st. We hope to kick off the second half of the school year with a wonderful choir experience, and one that so many of the students and parents have been waiting for.

Please return the bottom portion of this letter by January 27th.
If you have any questions, please feel free to text, call or email me.

Thank you,

Mrs. Weaver
