2023-2024 Student Supply List
Junior High (Grades 6-8)**

Computer Specifications

Chromebooks can be purchased from nearly any electronic retailer, such as Amazon.com Best Buy, Walmart, or Newegg.com, for under \$200. The selected electronic device must have the minimum following features:

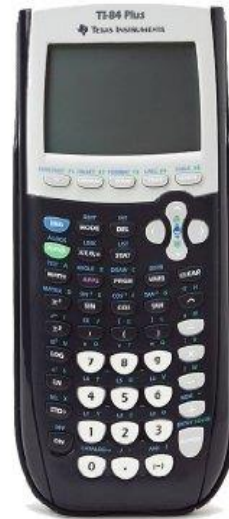

- Screen size – 11.6” to 15.6”
- RAM (memory) – 4 GB minimum
- Processor – 1.6 GHz minimum
- SSD (hard drive capacity) – 32 GB minimum
- Operating system – Chrome OS or Windows
- Brand – Any
- Wi-Fi – 802.11ac or 802.11ax
- Keyboard

Calculator Specifications

Specific calculators have been chosen because the teachers are trained in the use of these calculators. If a different calculator is purchased, the student is responsible for learning how to use the calculator without teacher assistance.

**6th, 7th, and 8th Grade Math
Texas Instruments® TI-30X IIS
Scientific Calculator**

**8th Grade Algebra
Texas Instruments Ti-83 or Ti-84 Calculators
There are several types.**

These graphing calculators will be used in high school and college. They are also the accepted calculator for use on the ACT and SAT. So, this investment will go beyond Algebra 1. If money is an issue, please contact Mrs. Marcille to discuss options.
