

St. Albert the Great School

Summer Reading Log

2022

Please put the grade that you will be entering with your new teacher's name.

Student Name _____

Teacher _____ Grade _____

Total Hours Read: _____ (Must fill this out!)

Rules & Guidelines

To qualify for the Ice Cream Party
students must meet the following requirements:

K-2 - Read a total of 10 hours over the summer. The hours are based on reading 15 minutes per day, 4 days per week or 1 hour per week. Parents are encouraged to listen to their child read. An adult may read to kindergartners and first graders.

3-5 - Read a total of 20 hours over the summer. The hours are based on reading 30 minutes per day, 4 days per week or 2 hours per week.

6-8 - Read a total of 30 hours over the summer. The hours are based on reading 45 minutes per day, 4 days per week or 3 hours per week.

Students remember to log all your hours! A prize will be given to one student from each class who has logged the most hours.

Summer Reading 2022

Dear St. Albert the Great Families,

Our **Summer Reading Program** is about to begin! Attached is a reading log with directions. It's so very important to read over the summer, so please encourage your child to participate.

Students who complete all their required reading hours and fill out the reading log correctly, will qualify for the build your own sundae **Ice Cream Party** in September. Also, a prize will be given to one student from each grade who has logged the most reading hours. In addition to the reading log, students who read eight, grade level appropriate books over the summer and complete the log sheet on the back will earn a **Free Dress Pass**. Your reading hours need to be logged from **6/10 thru 8/21**.

Washoe County libraries are open, and summer activities are happening, so please check their schedules. Their Summer Reading Challenge runs June 1- July 31 and is open to all ages. The public library uses, BEANSTACK, an app that keeps track of what books you are reading as well as your reading time for all their challenges. You may find info at washoecountylibrary.us/resources/reading_programs.php. There is also the LIBBY app, or you may use washoecounty.overdrive.com/ for e-books and audiobooks.

Some great reading lists can be found at commonsensemedia.org/book-lists imaginationsoup.net/summer-reading-list-for-kids

Enjoy your summer!
Mrs. Vasquez
